Order

No. CLE/1/ID(109)73-74

The following Award given by the Industrial Tribunal Goa, Daman and Diu on an Industrial Dispute between the Management of M/s. Hotel Mandovi, Panaji, Goa and their workmen employed under them is hereby published as required under provisions of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947).

P. Noronha, Under Secretary (Industries and Labour).

Panaji, 20th August, 1976.

Before Shri R. V. Kollali, Presiding Officer, Industrial Tribunal Cum Labour Court, Dona Paula

Reference No. IT/14/75

Sarvashri Salvador Barretto and Minguel Cunha, workmen represented by The Goa Hotel and Restaurant Employees' Union, Betim, Bardez-Goa — 1st Party.

V/s

M/s. Hotel Mandovi, Panaji-Goa — 2nd Party.

By Order No. CLE/1/ID(109)/73/74/228 dated 28th February, 1975, the Government of Goa, Daman and Diu referred the dispute between the parties for adjudication by this Tribunal with the following schedule:

SCHEDULE

«Whether the action of the Management of M/s. Hotel Mandovi, Panaji, Goa in terminating the services of Sarvashri Salvador Barretto and Minguel Cunha with effect from 23-4-1973 and 30-3-1973 respectively is legal and justified?

If not, to what relief the concerned workmen are entitled to?»

By the claim statement, it was contended, on behalf of the workman, that Salvador Barretto had been ill and had undergone hospital treatment and after his discharge from hospital he went and reported to the Second Party Management who told him that they would inform him as to when he should join for duty, but instead of that, a week or so later informed him that his name had been struck off from

the monthly roll as per an earlier letter of 6-4-1973 which the workman had never received. With regard to Minguel Cunha, it was contended that on 25-3-1973 he handed over a medical certificate to the employer and he too was asked to await for further intimation for resumption of duty and was informed by a letter of 23-4-1973 that his name had been struck off the roll from 30-3-1973. It was contended that the action of the Management was unilateral, malafide and motivated with victimization. Therefore, it was prayed that reinstatement with full back wages and continuity of service and all other benefits attached to the employment be awarded to them.

The Second party filed its counter statement in part, raising the contention that the reference was bad in law and not valid by reason of the fact that it had been made under Section 12(5) of the Industrial Disputes Act which did not empower the Government to make any such reference.

The preliminary point was set down for hearing at the first instance and an issue was settled as follows:

«ISSUE»

Whether the Reference made by the Government is bad for the reasons set out in para 2(c)(d) and (e) of Second Party written statement.

Thereafter, on behalf of the workman the matter was adjourned for a number of times. It came up today, when on behalf of the workman, it was conceded that the reference was incompetent ex-facie because the reference was made in exercise of Section 12(5) of the Industrial Disputes Act which did not empower the Government for making the reference. In view of this submission on behalf of the First Party, there is no point in going on with this dispute. Therefore, I pass the following Award:

«AWARD»

The Reference is held to be incompetent inasmuch as it has been made in exercise of powers under Section 12(5) of the Industrial Disputes Act.

The proceedings are therefore closed.

Place: Dona Paula.
